

TRADING SHED PRICE LIST 2021

Prices correct at time of printing.

Whilst every endeavour is made to maintain the prices, some changes may be necessary through circumstances beyond the associations' control.

Currently the Trading Shed will only be open for collection of supplies that have been pre-ordered. Opening times will vary so keep an eye on the village/allotment Facebook pages.

For all enquiries about the Trading Shed and to pre-order your requirements, please contact:

orders4wolstonshed@gmail.com

Arrangements for collection will then be made. Payment by contactless card required upon collection. Remember to quote your membership number on your order if you are an Affiliate member. This doesn't apply to plot holders. The Trading Shed will be open from 10.00 a.m. to 11.00 every Saturday from 27th February to 6th November 2021.
