Progress against Project Timetable (current version (19 June 2020)):
- Project Timetable further refined in line with target Referendum date of July 2021
- Plan will be further refined to accommodate:
  a). Impact of Covid-19 crisis, e.g. earliest Referendum date
Contingency – Communicable Disease Control Incident: Covid-19

In the context of a prolonged or serious communicable disease control incident e.g. large/enduring outbreak or pandemic as per Covid-19, it is likely that there may be significant volunteer resource shortages, which will also be reflected in partner organisations, e.g. RBC. In the current situation, the NDP team is continuing with Business as Usual (BAU) in line with government guidelines.

1. Maintaining Working Group Resources/Membership:
Action: a). WG leads to explore widening membership on an ongoing basis, b). WG leads to identify skills shortage within individual groups and seek to address gaps via recruitment drive, c). PM to identify or assume support role(s) on a temporary basis as required, e.g. APS, d). in the event sufficient resources are not in place, SG and/or PC to put NDP ‘on hold’ until additional resources confirmed, e) abort NDP.

2. Programme slippage/stall due to external/internal factors such as volunteer resources shortage, additional consultation requirements, unsuccessful funding bids:
Action: a). PM to alert SG and PC to any delays, b). PM to work with affected WG lead and record/progress mitigations via Action Plan, c). PM to report delays to PC via monthly meetings d). PC to put NDP ‘on hold’ until updated programme confirmed, e) abort NDP.

3. Finance, e.g. approval for spend of Grant funding not forthcoming:
Action: a). SG and/or PC to confirm if/where funding is ‘essential’ or ‘desirable’. b). SG and/or PC to seek alternative external funding streams, e.g. amended submission to Locality, Rugby Borough Council (RBC) for alternative grant funding, c). SG to submit further funding bid to PC. d). PC to put NDP ‘on hold’ until future funding confirmed, e) abort NDP.

4. Maintaining Steering Group Resources/Membership:
Action: a). Chair of SG to re-allocate tasks as appropriate, b). PM to assume role(s) on a temporary basis as required, inc. Acting Chair, c). SG to identify skills shortage within the group and seek to address gaps via recruitment drive, d). in the event sufficient resources are not in place, SG and/or PC to put NDP ‘on hold’ until additional resources confirmed, e) abort NDP.

5. Conflict of interests, e.g. NDP used to drive personal agenda:
Action: a). Raise as formal agenda item at either planned or additional SG meeting, b). report outcome of meeting to PC, c).SG/PC to maintain watching brief, d). PC to assume management of NDP SG and/or request change to SG membership.
6. Required outcomes of Wolston PC and NDP SG are not aligned, e.g. potential development of any LGS sites included in the draft Plan:
   Action:  a). Maintain robust reporting and discussion at monthly PC meetings via public forum and as formal agenda item, b) ‘stand alone’ meetings between PC and SG (and/or CG) to be diarised if/when appropriate, c). PC to assume management of NDP SG and/or request change to SG membership, d). put NDP ‘on hold’ until alignment achieved, e). abort NDP.

**Explanation of any difference between planned and actual events**

APS and PM have identified further potential slippage in the Wolston Plan being ‘made’ due to impact of Covid-19 crisis, i.e. delayed Referendum until July 2021, primarily due to need consultation during school holidays. Other factors may also impact, e.g. NDP/PC meetings and exchanges re: LG1 and R19/1411 (proposed development of Allotments) etc. Timetable will be further refined as new updates received, e.g. WGs progress on updated Plan in line with APS ‘health check’.

**Outcome of any actions required from previous reporting period**

**Requests for approval to change agreed resource, timetable or scope**

**Note of any other document(s) with the report**
