

Wolston Neighbourhood Plan Co-ordination Group

File Note of Meeting at Wolston PC Office - Tue.11th February 2020, 7 pm.

Attendance: CM, TW, TB, DP

Apologies: RG, GW

Previous CG minutes accepted and signed by TW.

J Rainey joined briefly to request that CM chairs SG on 25th Feb and attend PC on 5/3/2020- CM agreed to both.

CM confirmed that Bob has already submitted housing policies to APS and received constructive feedback which he has accepted. CM proposed that the group sends the full plan for APS to do full health check, and quote for APS to complete the work to housing policies (as suggested in feedback) as well as quote to complete amendments for all policies. This was seconded by TB and all group members agreed that they are happy to progress in this manner until 31st March and that the main priority is to get the plan completed as soon as possible.

CM to contact RG, whom all the NDP team send their best wishes for a speedy recovery, to update on progress so far.

DP to contact LEA to confirm the school numbers.

Finance- invoice for work completed due for 31st March.

A.O.B- TB to liaise with GW to update website for listed building. This has been highlighted by works going on at Priory Barns.
